Gender: Male
Date of birth: 29 Apr 2002
Address:
Flat D, Priya Tharachand Apt,
31 Tharachand Nagar Main Road,
Virugambakkam,
Chennai, Tamil Nadu, India 600092
GitHub: rohithvarma3000

EXPERIENCE

DEVELOPER • SDSLABS • 2021-PRESENT

SdsLabs is a group of developers and designers at IIT Roorkee who aim to promote development of technology and innovation. They have developed various platforms such as Cerebro, Gasper, Erdos which are used by a large number of students.

DEVELOPER • SCHOOL PROJECT • 2019 – 2020

Airport management system software was created using C++ to manage airport traffic and baggage. Group of 4 individuals have participated in this project.

EDUCATION

B TECH • FIRST YEAR • IIT ROORKEE

8.7 GPA is first semester

HIGHER SECONDARY • 2020 • MAHARISHI VIDYA MANDIR

Scored 98% in Higher Secondary examination conducted by CBSE

VOLUNTEER EXPERIENCE OR LEADERSHIP

I have presented a project in Science exhibition to make Hydrogen as alternate fuel instead of using fossil fuel. I have also leaded the team for the Airport Management System and was responsible for the ideation and implementation of the System.
